

ART DEPARTMENT EXPERIENCE

Set Designer - **Mr Corman** (TV Drama) - A24, Apple TV, Quick As A Wink - OCT-DEC 2020

- 10-episode TV drama filmed at Avalon Studios, set in LA 2020, directed by Joseph Gordon-Levitt
- Used Sketch Up, Sketch Up Layout, and Rhino to design multiple sets and set pieces such as furniture, a gas station and pumps, building facades, signs, lightboxes, newspaper boxes, and fast-food drive through units.
- Designed in full a one-bedroom apartment in high-rise Los Angeles.
- Analysed a 3-block street location for dressing – including multiple site visits and co-ordinating with several different teams (lighting, camera, graphics, set dec, etc.) to produce breakdown documents and a visual plan.
- Concept work (Sketching, drawing, 3D modelling) for 12 different animates alternate reality spaces.
- Produced scaled construction drawings for all sets, as well as for additional units needed for location dressing.
- Managed file transfers from US production to NZ production, practicing scale/unit conversion.
- Maintained working 3D models in Sketchup and Rhino.
- Research and compilation of reference material.
- Ensured I followed the production's strict Covid-19 protocols.

Assisted as:

Graphic Designer

- Creating street sign and advertisement graphics.
Use of Adobe programs (Illustrator, Indesign, Photoshop) to produce files for printing on several different materials.

Set Dec Onset

- Experience working onset and standing by during filming.
- Prepared props and maintained continuity throughout takes.
- Covering road markings by painting and sanding.
- Covering personal information on signs, and details that couldn't be cleared.
- Putting up shopfront signs, posters and replacing street signs.
- Assisted greens to dress graveyard – trees, weeds, branches and leaf litter.

Set Dec Dresser

- Staging sets within budget and timeframe constraints.
- A church and graveyard for funeral scene.
- 2 bedroom LA apartment, used as the hero set.
- A fruit store with new signage, shelving, and outdoor seating.
- 1 bedroom LA high-rise apartment.
- A street spanning 3 blocks for a night-time walk and talk scene.

Junior Set Designer - **The Greatest Beer Run Ever** (Feature) - Skydance Productions - JUNE-AUGUST 2020

- Historical factual drama set during the Vietnam War, directed by Peter Farrelly.
- Designed an 'Inwood NY' cramped/cluttered apartment interior - drawing then modelling in Rhino.
- Produced 3D models (Rhino) and construction drawings of existing architectural forms.
- Making physical card models of an apartment interior and an airplane base.
- Research and compilation of reference material.

Assisted as:

Art Department Assistant

- Runner tasks - collecting and purchasing items for the department.
- Driver for the Production Designer.
